Aesthetic Design Mushroom Head

The aesthetic head design is shaped to compliment a clean finish in cabinetry, furniture, and more. The head is bold to show its architectural shape and decorates visible surfaces.

Graduated Shoulder

The bigger head increases holding power on the wood, while the graduated shoulder from head to shank ensures maximum strength for the fastener head.

Fast Start Tip

Our sharp tip grips quickly into the wood providing fast work and easy installation.

The advanced Cabinetry (& more!) Wood Screw for typical very high-corrosive environments. Use them on any size job or project.

Available in 1lb, 5lb and 1/4 Keg
